

Mandrolisai

Denominazione di Origine Controllata

Offspring of a union of our traditional vines, Bovale, Cannonau, Monica, grown at an altitude of over 500 yards above sea level. This wine encompasses the entire territory of the Mandrolisai and the legacy of its wine-growing tradition, with its full, velvety character and hints of wild berries.

PRODUCTION AREA

Vineyards situated in the municipal territory of Atzara, a hilly area, rising up to 500 m.a.s.l., west of the Gennargentu mountains.

SOIL TYPE

Medium-textured decayed granite tending to sandy.

PAIRINGS: A ruby-red wine with a long bouquet and inklings of wild berries and maquis. A flavoury palate, well-balanced and gentle.

It is an excellent companion of all meat dishes, venison and ripe cheese.
