

## Vino Etna Bianco DOC Galatìa

Grape Variety: Carricante 85% – Grecanico 15%

Alcohol content: 12,7°

Colour: Giallo paglierino

Altitude: 700 m s.l.m.

Production Area: Passopisciaro (CT)

It's a full-bodied wine but still keeps a fine equilibrium and a savory taste given by the minerals of the Etna fields.
