

## ***Tre Rocche***

### ***Romagna Sangiovese DOC Superiore***

It is made from large, oval Sangiovese grapes. After a brief aging in barrels, it continues in the bottle. It has a beautiful purple-garnet color that introduces aromas of pomegranate and violet; on the palate, it is dry, rounded, and velvety, with just the right amount of tannins.

It pairs well with first courses, meats in general, blue fish, and fish soup.
